NORTHUMBERLAND AND DURHAM LABRADOR RETRIEVER CLUB

The J.B. Attey Memorial Trophy

Was originally presented in 1965 to the Winner of Northumberland and Durham LRC's All Aged Stake.

From 1971 it has been presented to the Winner of our Two Day Open Retriever Field Trial.

In order to preserve the trophy for the future; in 2015 a refurbishment took place of our major trophies; and a wooden case has been made for this trophy for winners to transport and store the award safely, with the trophy wrapped in bubble wrap for protection.

Please take care of this historic trophy and ensure that the case is returned with the trophy suitably packed for protection following engraving.

We ask that our winners return their trophies at least one month prior to the event the following year.

Please inform us of any damage caused whilst in your possession.

Congratulations on your win!
